Examiner's Reasons for Allowance

The following is an examiner's statement of reasons for allowance:

Referring to claims 1-5, 7, 11-20, 22-24, 27-29, 31-33, 35-37, 42-48, 53, 55, 56, 62-66, and 73, the prior art searched and of record neither anticipates nor suggests in the claimed combinations, modifying an image based on an edge extracted from the image, the edge having a thickness according to an attribute of the entire image, and a reduced number of tone levels.

Referring to claims 39-41, 61, and 72, the prior art searched and of record neither anticipates nor suggests in the claimed combinations, modifying an original image based on an edge extracted from the image and a reduced number of tone levels in a user designated illustration mode, and converting the original image and/or the modified image into a monochromatic image in a user designated monochrome effect mode.

Referring to claim 54, the prior art searched and of record neither anticipates nor suggests in the claimed combinations, modifying an original image based on an edge extracted from the image and a reduced number of tone levels, wherein the modifying includes executing a filter process using user set filters in segmented regions of the original image.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Response to Arguments

Applicant's arguments filed with the IDS on 07 September 2005, with respect to the references cited in the JPO Office Actions issued in the Japanese counterpart application Nos. 11-189637 and 10-35526, have been fully considered and are persuasive.
